### *Giveaway of the week*

● An energy-efficient cooker featuring a revolutionary new Aqualytic cleaning system that saves time and money, the Scandium range from Amica is the latest in cooking innovation. It is also kinder to the environment than any other self-cleaning oven. The Scandium 1133.4TdXY provides 12 heating functions including rotisserie, grill and fan cooking. With rapid heat, the oven reaches temperature within minutes. Amica is offering one reader the chance to win two Scandium self-cleaning ovens and a 60cm ceramic hob with touch slider controls, worth £1,300. To enter, text DINING to 83222 (texts cost 50p plus standard network rate). Competition closes on March 31. For terms and conditions visit [www.bayswatermediagroup.com](http://www.bayswatermediagroup.com).
