

## PRODUCT FICHE

|   |              |                    |
|---|--------------|--------------------|
| Supplier name   |              | Amica S.A.         |
|   | Model        | FC1534             |
| Model ID (Model)  | Type         | FC153BEW+05AE      |
|   | Index        | 1171327            |
| Refrigerating appliance model category <sup>1</sup>           |              | 1                  |
| Energy efficiency class <sup>2</sup>                          |              | A+                 |
| Annual energy consumption [kWh/year] <sup>3</sup>             |              | 115                |
| Refrigerator net storage volume [l]                           |              | 121                |
| Freezer net storage volume [l]                                |              | -                  |
| Star marking of frozen-food storage compartments <sup>4</sup> |              | -                  |
| Frost-free system   | Refrigerator | -                  |
|   | Freezer      | -                  |
| Temperature rise time [h] <sup>5</sup>                        |              | -                  |
| Freezing capacity [kg/24h]                                    |              | -                  |
| Climate class <sup>6</sup>                                    |              | N-ST               |
| Acoustical noise emissions [dB(A) re1 pW]                     |              | 41                 |
| Built-in model  |              | -                  |
| Voltage [V/Hz]  |              | AC 220-240V / 50Hz |
| Height x width x depth of product [mm]                        |              | 825 x 550 x 570    |
| Appliance weight [kg]   |              | 29                 |
| Type of lighting (Incandescent / LED / none)                  | Refrigerator | V/O/O              |
|   | Freezer      | O/O/V              |

<sup>1)</sup> 1- Refrigerator with one or more fresh food storage compartments; 3- Refrigerator-chiller and refrigerator with a 0-star compartment; 4- Refrigerator with a one-star compartment; 5- Refrigerator with a two-star compartment; 6- Refrigerator with a three-star compartment; 7- Refrigerator-freeze; 8- Upright freezer; 9- Chest freezer.

<sup>2)</sup> Energy efficiency class A++/A+ (=low energy consumption) to G (=high energy consumption).

<sup>3)</sup> Power consumption »XYZ« kWh per annum based on the results of the test performed in normal conditions in a 24 hour cycle. Actual power consumption depends on the mode and place of appliance usage

<sup>4)</sup> ☉ = space for storing products at temp. around -6°C

☼☼ = space for storing products at temp. around -12°C

☼☼☼ = space for storing products at temp. around -18°C

☼☼☼☼ = space for freezing products at temp. -18°C or lower.

<sup>5)</sup> safe storage time »X« hours with no power supply

<sup>6)</sup> Climate class: W [climate class]. Appliance intended for use at ambient temperature from X [lower limit] °C to Y [upper limit] °C. SN - from +10°C to +32°C; N - from +16°C to +32°C; ST - from +16°C to +38°C; T - from +16°C to +43°C.
