

608CE2TAW 60cm freestanding electric cooker with ceramic hob

Oven features

- Number of cavities: 1
- Oven fuel type: Electric
- Easy clean enamel interior
- Cooling fan
- Chromed rack sides
- Electronic programmer

Hob features

- Hob type: Ceramic
- Number of zones: 4
- Power levels on single zones: 7
- Residual heat indicators
- Temperature limiter

Hob specification

- Front left : 180mm: 1.8kW
- Front right: 145mm: 1.2kW
- Rear left : 145mm: 1.2kW
- Rear right: 210mm: 2.3kW

Door features

- Triple glazed
- Removable inner door glass for easy cleaning
- Removable door

Lighting

- Number of lights: 1
- Cavity light power: 25W

Technical specification

- Dimension: 90*60*60(H*W*D)
- Main oven net capacity: 65L
- Rated electrical power: 9.4kW
- Power supply: 45A
- Energy consumption of the hob:
- Energy consumption per cooking zone:

Energy efficiency rating

- Energy rating: A

Accessories

- Flat oven shelves: 1
