

AWDT814S 8kg 1400 spin integrated washer dryer

Features

- Spin speed: 1400rpm
- Allergysafe function
- Programmes: 16
- Wash load: 8kg
- Dry load: 6kg
- Variable wash temperature
- Variable spin speed
- Extra rinse function
- Intensive wash function
- Delicates setting
- LED display
- Delay timer
- Stainless steel drum
- Anti-flooding safety
- Child lock

Technical specification

- Noise efficiency class: B
- Noise level - spin: 76dBA
- UK plug fitted

Energy

- Energy consumption per 100 cycles (washing only): 90
- Energy consumption per 100 cycles (washing&drying): 360
- Water consumption per weighted cycle(washing only): 48
- Water consumption per weighted cycle(washing&drying): 90
- Energy rating Washing: E
- Energy rating washing and drying: E
- Spin rating: B

Wash functions

- Extra rinse function
- Intensive wash function
